

Mastering Math Facts

Otter Creek Institute

- See reverse for program overview
- School-wide implementation
- Focused on memorization and automaticity
- Daily practice and quizzes
- Fourth grade focus – multiplication and division
- Extra incentives for fourth graders:
 - Medals earned after each of the following multiplication levels: F, L, R, W
 - If level W (multiplication) is completed by the end of the first trimester, those students will receive a special award and gift.
 - Students who pass all division levels and 2-minute timing will receive a “Division Master” silicone wristband.
- Students who do not pass their level on a particular day should be bringing home their practice sheets to practice orally and in writing.
